**Welcome to a meeting of the Arizona State Transportation Board. The Transportation Board consists of seven private citizen members appointed by the Governor, representing specific transportation districts. Board members are appointed for terms of six years each, with terms expiring on the third Monday in January of the appropriate year.**

### **BOARD AUTHORITY**

Although the administration of the Department of Transportation is the responsibility of the director, the Transportation Board has been granted certain policy powers in addition to serving in an advisory capacity to the director.

In the area of highways the Transportation Board is responsible for establishing a system of state routes. It determines which routes are accepted into the state system and which state routes are to be improved. The Board has final authority on establishing the opening, relocating, altering, vacating or abandoning any portion of a state route of a state highway. The Transportation Board awards construction contracts and monitors the status of construction projects.

With respect to aeronautics the Transportation Board distributes monies appropriated to the Aeronautics Division from the State Aviation Fund for planning, design, development, land acquisition, construction and improvement of publicly-owned airport facilities. The Board also approves airport construction.

The Transportation Board has the exclusive authority to issue revenue bonds for financing needed transportation improvements throughout the state. As part of the planning process the Board determines priority planning with respect to transportation facilities and annually adopts the five year construction program.

### **CITIZEN INPUT**

Citizens may appear before the Transportation Board to be heard on any transportation-related issue. Persons wishing to protest any action taken or contemplated by the Board may appear before this open forum. The Board welcomes citizen involvement, although because of Arizona's open meeting laws, no actions may be taken on items which do not appear on the formal agenda. This does not, however, preclude discussion of other issues.

### **MEETINGS**

The Transportation Board typically meets on the third Friday of each month. Meetings are held in locations throughout the state. In addition to the regular business meetings held each month, the Board also conducts three public hearings each year to receive input regarding the proposed five-year construction program. Meeting dates are established for the following year at the December organization meeting of the Board.

### **BOARD MEETING PROCEDURE**

Board members receive the agenda and all backup information one week before the meeting is held. They have studied each item on the agenda and have consulted with Department of Transportation staff when necessary. If no additional facts are presented at the meeting, they often act on matters, particularly routine ones, without further discussion.

In order to streamline the meetings the Board has adopted the "consent agenda" format, allowing agenda items to be voted on en masse unless discussion is requested by one of the board members or Department of Transportation staff members.

### **BOARD CONTACT**

Transportation Board members encourage citizens to contact them regarding transportation-related issues. Board members may be contacted through the Arizona Department of Transportation, 206 South 17th Avenue, Phoenix, Arizona 85007; Telephone (602) 712-7550.

**NOTICE OF PUBLIC MEETING  
OF THE  
STATE TRANSPORTATION BOARD**

**Pursuant to A.R.S. Sec. 38-431.02, notice is hereby given to the members of the State Transportation Board and to the general public that the State Transportation Board will hold a meeting open to the public, on Friday, November 18, 2011, beginning at 9:00 a.m. (MST), at the Florence Town Hall, Council Chambers, 775 North Main Street, Florence, AZ 85132. Members of the Transportation Board will attend either in person or by telephone conference call. The Board may vote to go into Executive Session to discuss certain matters, which will not be open to the public.**

**EXECUTIVE SESSION OF THE STATE TRANSPORTATION BOARD**

Pursuant to A.R.S. 38-431.02, notice is hereby given to the members of the Arizona State Transportation Board and to the general public that the Board may meet in Executive Session for discussion or consultation of legal advice with legal counsel at its meeting on Friday, November 18, 2011, relating to any items on the agenda. Pursuant to A.R.S. 38-431.03(A), the Board may, at its discretion, recess and reconvene the Executive Session as needed, relating to any items on the agenda.

**AMERICANS WITH DISABILITIES ACT**

Under the Americans with Disabilities Act, the Department must make a reasonable accommodation to allow a person with a disability to take part in a program, service or activity. For example, this means that if necessary, the Department must provide sign language interpreters for people who are deaf, a wheelchair accessible location, or enlarged print materials. It also means that the Department will take any other reasonable action that allows you to take part in and understand a program or activity, including making reasonable changes to an activity. If you believe that you will not be able to understand or take part in a program or activity because of your disability, please let us know of your disability needs in advance if at all possible. Please contact the ADA Coordinator at (602) 712-7761.

**AGENDA**

A copy of the agenda and agenda background material for this meeting will be available for public inspection at the office of the Transportation Board at 206 S. 17<sup>th</sup> Avenue, Room 135, at least 24 hours in advance of the meeting.

**ORDER DEFERRAL AND ACCELERATIONS OF AGENDA ITEMS, VOTE WITHOUT DISCUSSION.**

In the interest of efficiency and economy of time, the Arizona Transportation Board, having already had the opportunity to become conversant with items on its agenda, will likely defer action in relation to certain items until after agenda items requiring discussion have been considered and voted upon by its members. After all such discussional items have been acted upon, the items remaining on the Board's agenda will be expedited and action may be taken on deferred agenda items without discussion. It will be a decision of the Board itself as to which items will require discussion and which may be deferred for expedited action without discussion.

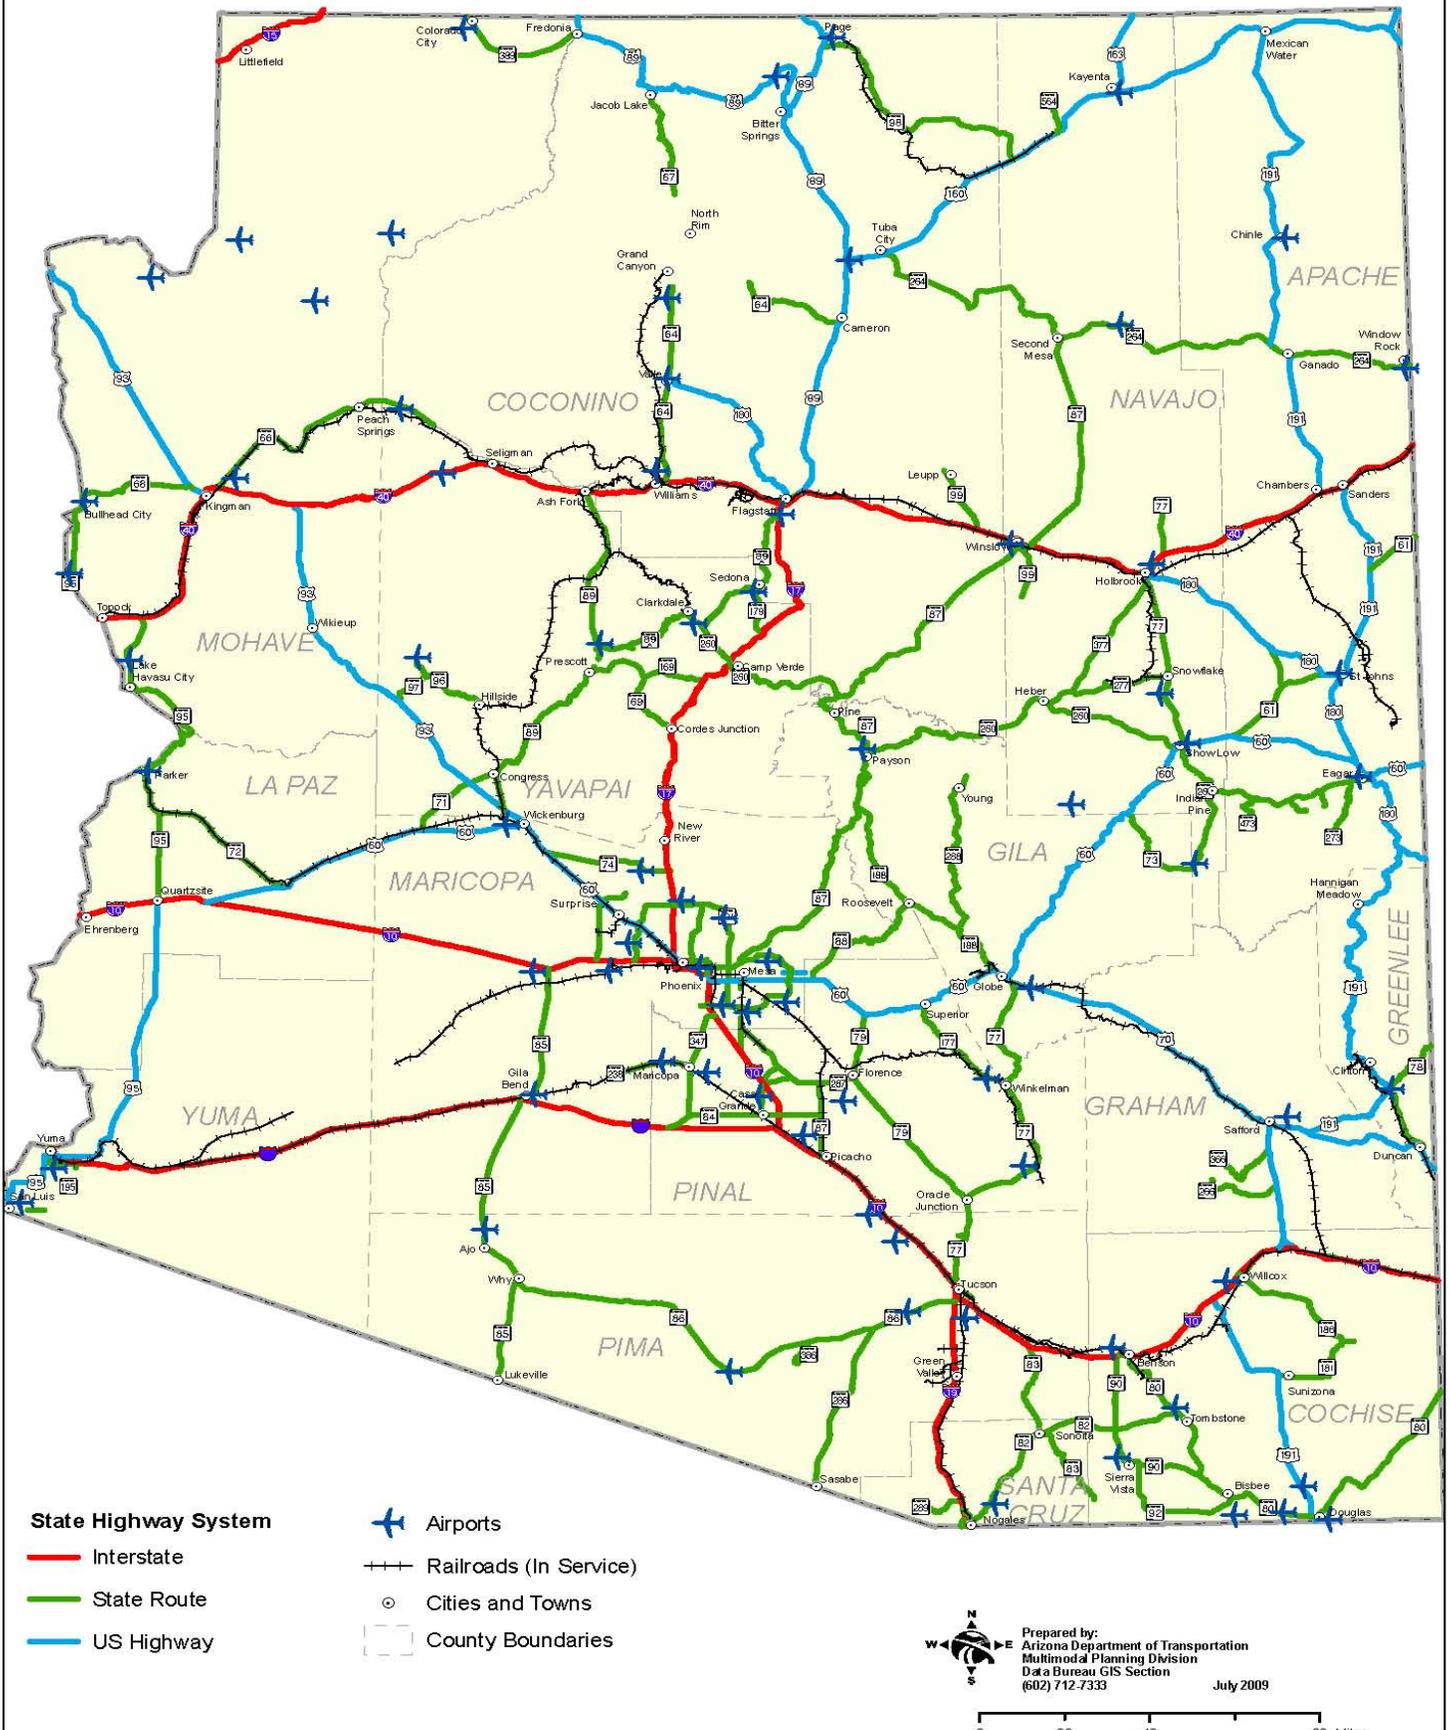

The Chairman will poll the members of the Board at the commencement of the meeting with regard to which items require discussion. Any agenda item identified by any Board member as one requiring discussion will be accelerated ahead of those items not identified as requiring discussion. All such accelerated agenda items will be individually considered and acted upon ahead of all other agenda items. With respect to all agenda items not accelerated. i.e., those items upon which action has been deferred until later in the meeting, the Chairman will entertain a single motion and a single second to that motion and will call for a single vote of the members without any discussion of any agenda items so grouped together and so singly acted upon. Accordingly, in the event any person desires to have the Board discuss any particular agenda item, such person should contact one of the Board members before the meeting or Kay Alberty, located at 206 South 17th Avenue, Room 135, Phoenix, Arizona 85007, or by phone (602) 712-7550. Please be prepared to identify the specific agenda item or items of interest.

10:00 A.M., WEDNESDAY, OCTOBER 5, 2011**

The meeting of the Priority Planning Advisory Committee (PPAC) was held on October 5, 2011, at 10:00 AM with Chairman Scott Omer presiding.

Other committee members were present as follows:

John Fink, Michael Klein, Jane McVay for Eileen Colleran, Matt Burdick, Bob, Michael Kies, and Dallas Hammit for Jennifer Toth.

**1. CALL TO ORDER**

Chairman Scott Omer called the Priority Planning Advisory Committee Meeting to order at 10:00 AM.

**2. ROLL CALL**

**Lynn Sugiyama conducted a Roll Call of the committee members. Mike Normand, Terry Conner, Robert Samour, and Roc Arnett were not present. A quorum was present to vote at the meeting.**

**3. CALL TO THE AUDIENCE**

**Chairman Omer requested a Call to the Audience for any comments and issues to be addressed. There was none.**

**4. APPROVAL OF MINUTES OF AUGUST 31, 2011**

The minutes of the meeting held in August 31, 2011 were approved.

**Chairman Omer called for a motion to approve minutes of the meeting of August 31<sup>st</sup>, 2011.**

**John Fink made the motion to approve.**

**Michael Kies seconded the motion. The motion carried unanimously.**

**5. DISCUSSION ON THE HIGHWAY CONTINGENCY FUND REPORTING**

John Fink discussed that he will not recommend any changes to the reporting at this time. However he said that the Committee needs to discuss what is relevant to financially report on a monthly basis. Mike Klein discussed that the Aeronautics Group is testing their reporting data on discretionary and contingency funding. Chairman Scott Omer asked that the Committee review the monitoring report and to identify what is important. He would like to discuss the changes to the report at the next November 2<sup>nd</sup> PPAC meeting.

REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the amended establishment and improvement of Interstate Route 10 within the above referenced project.

The existing alignment was previously established as a state route and state highway designated S.R. 84, by Arizona Highway Commission Resolution dated September 9, 1927, page 26, of the Official Minutes; Resolution 63-20, dated February 26, 1963, established this portion of S.R. 84 as a state route and state highway with access control designated Interstate Route 10; thereafter, Arizona Transportation Board Resolution 90-06-A-048, dated June 15, 1990, established additional right of way for improvements; Resolution 2001-07-A-055, dated July 13, 2001 established additional right of way as an access controlled state route and state highway for improvements; Resolution 2011-06-A-042 dated June 17, 2011 established additional right of way as an access controlled state route for improvements upcoming thereof.

Due to design change, the area to be acquired has been modified. It is now necessary to amend the previous resolution 2011-06-A-042 to show the design change.

The amended right of way is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "30% design Plans, dated August 29, 2011, PHOENIX - CASA GRANDE Highway."

In the interest of public safety, necessity, and convenience, I recommend the amendment of Resolution 2011-06-A-042 dated June 17, 2011, recorded July 11, 2011 in Document No. 2011-057101, Pinal County Records Office and that the modified area of right of way depicted in Appendix "A" be established and improved as an access controlled state route and that the area be established as a state highway prior to construction.

I further recommend the acquisition of the modified right of way, material for construction, haul roads and various easements necessary for or incidental to the improvement.

Pursuant to Arizona Revised Statutes Section 28-7046, I recommend the adoption of a resolution making this recommendation effective.

REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the abandonment of right of way acquired for State Route 87 / State Route 260 within the above referenced project.

The right of way to be abandoned was previously established a state route designated State Route 87 by Arizona State Highway Commission Resolution 59-116, dated June 15, 1959 and Arizona Highway Commission Resolution 61-14, dated July 26, 1960, established State Route 87 as a state highway; thereafter Arizona Transportation Board Resolution 89-07-A-56, dated July 21, 1989, established additional right of way for improvements thereof; and Resolution 96-06-A-027, dated June 21, 1996, redesignated and renumbered portions of State Route 87 with the overlapped route designation of State Route 260; Resolution 2009-02-A-007, dated February 20, 2009 established additional right of way as a state route and state highway for improvements thereof.

The right of way is no longer needed for state transportation purposes. The Town of Payson has agreed to accept jurisdiction, ownership and maintenance of the right of way in accordance with the 120-Day Advance Notice provided on July 12, 2011. Accordingly, I recommend that the State's interest in the right of way be abandoned.

November 18, 2011

The right of way to be abandoned is delineated on the maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Right of Way Plans, PAYSON - WINSLOW Highway, Project 087GI253H730401R" between the engineering stations shown in Appendix "A" attached hereto.

I further recommend that the right of way depicted in Appendix "A" be removed from the State Highway System and abandoned to the Town of Payson as provided in Arizona Revised Statutes Section 28-7207 and 28-7209;

Pursuant to Arizona Revised Statutes Section 28-7046, I recommend that the Transportation Board adopt a resolution making this recommendation effective.

RESOLUTION OF ABANDONMENT

JOHN S. HALIKOWSKI, Director, Arizona Department of Transportation, on November 18, 2011, presented and filed with this Transportation Board his written report under Arizona Revised Statutes Section 28-7046, recommending the abandonment of a portion of State Route 87 / State Route 260 to the Town of Payson within the above referenced project.

The right of way to be abandoned is delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Right of Way Plans, PAYSON - WINSLOW Highway, Project 087GI253H730401R" between the engineering stations shown in Appendix "A" attached hereto.

WHEREAS said right of way is no longer needed for state transportation purposes; and

WHEREAS the Town of Payson has agreed to accept jurisdiction, ownership and maintenance of the right of way in accordance with the 120-Day notice sent on July 12, 2011; and

WHEREAS this Board finds that public safety, necessity and convenience will be served by accepting the Director's report; therefore, be it

RESOLVED that the recommendation of the Director is adopted and made part of this resolution; be it further

**25. DESCRIPTION OF REQUEST:**

Following changes need to be made under project information and budget:

Project Number:89 CN 476 H8116 01C.

Project Name: Moenkopi Wash - Hidden Springs.

Project Limit: MP 476.65 to MP 485.00, Length: 8.35 mile.

Type of Work: 2½" AC Overlay and ½" AR-ACFC.

New budget amount for Pavement Preservation Project:\$7,278,000.

**26. JUSTIFICATION:**

Project limit on the original scoping request begins at MP 478.00 and ends at MP 483.00. ADOT Pavement Design Section revised the limits as MP 476.65 to MP 485.00 and suggested the project name to be Moenkopi Wash - Hidden Springs. The pavement structural section was revised at the field review to 2½" AC Overlay and ½" AR-ACFC. Increase in budget amount is because of extending the project limit.

**27. CONCERNS OF THE PROJECT TEAM REGARDING THE REQUEST:**

STATE ENGINEER'S REPORT  
October 2011

The Status of Projects Under Construction report for September 2011 shows 135 projects under construction valued at \$941,884,251.75. The transportation board awarded 4 projects during October valued at approximately \$2.7 million.

During October the Department finalized 3 projects valued at \$11,211,084.87. Projects where the final cost exceeded the contractors bid amount by more than 5% are detailed in your board package.

Year to date we have finalized 33 projects. The total cost of these 33 projects has exceeded the contractors bid amount by 8.7%. Deducting incentive/bonus payments, revisions, omissions and additional work paid for by others, fiscal year to date reduces this percentage to 6.6%.
